TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of New Ipswich in the County of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Mascenic Regional School in said New Ipswich on Tuesday, the sixth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:*

Article 1.

To choose all necessary Town Officers for the year ensuing.

* The Town Meeting will open at 10 o'clock in the forenoon on March 6th to act upon the first article only. Balloting will continue until 7 o'clock in the afternoon, at which time the Meeting will be adjourned until Wednesday, the 7th of March, 1973 at 7 o'clock in the afternoon to act upon the remaining articles.

Article 2.

To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. (Budget items.)

Article 3.

To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money, when necessary, in anticipation of taxes.

Article 4.

To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate by public auction which has been acquired by the Town through Tax Collector's deeds.

Article 5.

To hear reports of any Official or Committee and take any action relating thereon.

Article 6.

To see if the Town will vote to raise and appropriate the sum of \$4,000.00 to purchase and equip a new police cruiser on a competitive bid basis or take any action thereon.

Article 7.

To see if the Town will vote to raise and appropriate the sum of \$20,000.00 (twenty thousand dollars) to be used this year to re-build a town road and/or roads. This would be the first part of a five-year plan to rebuild all roads needing such work in the Town. (By Road Committee)

Article 8.

To see if the Town will appropriate \$10,000.00 for the purchase of a new loader for the highway department, or take any action thereon. It is understood that the loader is to cost \$31,000.00, the purchase price to be made up of \$10,000.00 from this Article, \$10,000.00 from highway capital reserve fund and \$11,000.00 from the trade-in value of the old loader. (By Road Committee)

Article 9.

To see if the Town will vote to raise and appropriate the sum of \$3,175.00 (three thousand one hundred seventy-five dollars) for the purchase of a new sand spreader and to authorize the Selectmen to administer to the purchase of same. Any resale amount received for junk on the old spreader would reduce the above expenditure. (By Road Committee)

Article 10.

To see if the Town will vote to raise and appropriate the sum of \$1,023.26 (one thousand twenty-three dollars and twenty-six cents) so as to receive \$6,821.72 (six thousand eight hundred twenty-one dollars and seventy-two cents) from the State for use of Class IV and V highway construction, reconstruction or betterment as provided under the New Hampshire RSA Chapter 241.

Article 11.

To see if the Town will vote to raise and appropriate the sum of \$721.00 (seven hundred twenty-one dollars) for the support of Monadnock Family and Mental Health Service. (40c per capita formula)

Article 12.

To see if the Town will vote to raise and appropriate the sum of \$1,889.00 (one thousand eight hundred eighty-nine dollars) to support the services of the Monadnock Community Visiting Nurse Association, Inc. (This local request for financial support is based on a \$1.00 per capita formula)

Article 13.

To see if the Town will vote to raise and appropriate the sum of \$578.00 (five hundred seventy-eight dollars) to enable the Monadnock Region Association to continue its service to the Town of New Ipswich.

Article 14.

To see if the Town will vote to authorize and empower the Selectmen to contract for the lease of space for municipal office purposes in the property on Main Street in the Town which was formerly owned by the Finnish Apostolic Lutheran Congregation upon such terms and conditions which are in the best interest of the Town, and to raise, appropriate, and expend such funds as may be reasonably necessary to carry out such lease contract or take any action relating thereon. (By Petition)

Article 15.

To see if the Town will vote to raise \$7,500.00 (seven thousand five hundred dollars) for expenditures of Article 14.

Article 16.

To see if the Town will vote to authorize and empower the Selectmen to dispose of the land and building presently used as the Town Offices on Main Street in a manner which is in the best interests of the Town, or take any action relating thereon. (By Petition)

Article 17.

To see if the Town will vote to raise and appropriate the sum of \$6,500.00 (six thousand five hundred dollars) to be used in the maintenance and supervision of the recreation field, or take any action thereon. (By Recreation Committee)

Article 18.

To see if the Town will vote to raise and appropriate the sum of \$14,000.00 (fourteen thousand dollars) to renovate the interior of the Town Hall including interior painting, water service, installation of heat, sanitary facilities, and remodeling to accommodate same, or take any action thereon. (By Town Hall Committee)

Article 19.

To see if the Town will vote to raise and appropriate the sum of \$4,000.00 (four thousand dollars) to repair the roof, paint the exterior, replace one sill and perform other miscellaneous minor repairs to the outside of the Town Hall, or take any action thereon. (By Town Hall Committee)

Article 20.

To see if the Town will vote to authorize the Selectmen to dispose of the Town Hall Building by whatever means they deem necessary, or take any action thereon. (By Town Hall Committee)

Article 21.

To see if the Town will vote to raise and appropriate the sum of \$1.00 per capita, amounting to \$1,850.00 (one thousand eight hundred fifty dollars) for the support of the Souhegan Valley Ambulance District Service, or take any action thereon. (By Petition) (Sept. 1, 1973 to March 1974)

Article 22.

To see if the Town will vote to establish a Police Department Cruiser replacement fund of \$1,000.00 (one thousand dollars) per year, or take any action thereon.

Article 23.

To see if the Town will vote to increase the amount of the Highway and the Fire Department Capital Reserve Funds to \$3,000.00 (three thousand dollars) per year for each department, or take any other action thereon.

Article 24.

To see if the Town will vote to amend Article 17 of the 1969 Town Meeting to read, in part; "... all single-family dwellings, including mobile homes, shall be situated on a minimum lot of three (3) acres." (The changes are; from "all buildings" to "all single-family dwellings" and from "one acre" to "three acres".)

Article 25.

To see if the Town will vote to direct the Planning Board to write rules governing all new construction other than single-family dwellings, to be submitted to a vote at the next Town Meeting; and until that meeting, to require that all new construction of such buildings must be approved by the Planning Board, before construction begins.

Article 26.

To see if the Town will vote to raise and appropriate the sum of \$3,000.00 (three thousand dollars) for the continuance of the preparation of the Tax or Assessors map, it being the expectation that an equal sum appropriated in the following two years will complete the work for a total cost of about \$12,000.00 (twelve thousand dollars), or take any other action relating thereon.

Article 27.

To see if the Town will vote to have the Board of Selectmen appoint a five member Dump Committee to bring a report to the Town Meeting of 1974 with specific recommendations including cost for the establishment of a land-filled dump, or take any action thereon. (By Dump Committee)

Article 28.

To see if the Town will vote to form a committee of seven to study the ambulance needs of New Ipswich, or take any action thereon. It is understood that this committee is to be appointed by the Selectmen and shall consist of three members from the Fire Department, one from the Police Department and three members at large.

Article 29.

To see if the Town will vote to raise the price of cemetery lots from \$5.00 (five dollars) to \$20.00 (twenty dollars) per lot for residents and from \$10.00 (ten dollars) to \$40.00 (forty dollars) per lot for non-residents, or take any other action thereon.

Article 30.

To see if the Town will vote to authorize the withdrawal of all monies received from the Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972, for use as set-offs against budgeted appropriations in the priority expenditures for the following: a.) Public Safety: \$10,000.00 (ten thousand dollars); b.) Environmental Protection: \$5,000.00 (five thousand dollars); c.) Public Transportation: (highways & roads) \$28,500.00 (twenty-eight thousand five hundred dollars).

Article 31.

To see if the Town will vote to raise and appropriate the sum of \$3,667.95 (three thousand six hundred sixty-seven dollars and ninety-five cents) from the Town's general revenue sharing funds, as the Town's share of the Meals-on-Wheels Program, sponsored by the Community Action Committee for Hillsborough County. (By Petition)

Article 32.

To see if the Town will vote to establish a penalty for violations of the building regulations, to the amounts of \$10.00 (ten dollars) per day for single-family dwellings, and \$30.00 (thirty dollars) per day for commercial, industrial buildings, and multi-family units.

Article 33.

To see if the Town will vote to establish that building permits shall run for a term of one year, after which time, if construction has not begun, such permits must be re-submitted for renewal.

Article 34.

To see if the Town of New Ipswich will vote to authorize the Mascenic Regional School District beginning in 1974, to elect its officers at the annual Town Meeting under Chapter 197 R.S.A. of N. H., and take any action relating thereto.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and seventy-three.

REPORT OF THE SELECTMEN

We hereby give our annual report.

At the annual election in March, Mr. Clyde McKeeman was welcomed to the Board of Selectmen.

It was voted to build a new pool house for a sum of \$14,500.00 in order to conform to State of New Hampshire specifications. The firm of Hoard and Aho being the lowest bidder was awarded the contract. The Recreation Committee is hereby given a vote of thanks for the many hours which they spent planning and working on this project and making it a facility which the Town can be very proud of and is utilized more than ever before.

With the passing of Article No. 12 the Electric Light Department ceased to function as of July 17, 1972. The monies received from the sale were placed in special accounts and the interest will be used to help defray Town expenses. Also in selling this department a sizable amount of taxable property was obtained.

Article No. 19, with its passing allowed us to appoint a three member Welfare Committee. This committee, through much hard work and investigation, has been able to revamp the entire Welfare and Assistance Program in New Ipswich. They are to be commended for their untiring efforts.

It is quite apparent that our roads are in a serious condition. The long range program as recommended by the Road Committee should be initiated in 1973.

Work on a tax map commenced in the Fall of '72. The work is being done by Mr. John Preston.

Due to the resignation of the Police Chief in November the Town was without a police cruiser. After explaining our emergency we were able to obtain a car from the New Hampshire State Police for as long as we have an emergency situation. This car is at no extra cost to the Town aside from general maintenance costs. We also would like to thank Mr. Robert Thibault for being Acting Chief of Police until a permanent one is hired.

The Town is still faced with many problems but we believe that with the formation of the various committees

at last year's Town Meeting many steps to combat these problems have been taken.

We would like to thank all Departments and especially you the citizens of New Ipswich for your cooperation during the year 1972.

Respectfully submitted,

GEORGE LAWRENCE
DOROTHY HALSALL
CLYDE McKEEMAN

CIVIL DEFENSE REPORT

The Town Units of Civil Defense have participated in many activities in the past year. We had several hours of training and planning.

There are several projects underway at the present time which will be on the agenda for the coming year.

I would like to thank all the Department heads, Selectmen, and townspeople who have helped us and made this year one of accomplishment.

DAVID CORTHELL, Director

POLICE DEPARTMENT REPORT

1972 was a busy and eventful year for the Police Department. As the Town has grown in population and road mileage to be covered, the activity and cost of police work has subsequently increased. The Department now boasts a total of twelve active officers. These men attended Police School last winter and spring and many also completed one of several advanced Red Cross First Aid courses taught locally. Most Department members are also licensed ambulance attendants and have volunteered to man the Souhegan Valley Ambulance, now headquartered in Greenville, N. H. Once again the Officers gave their time to teach the NRA Hunter Safety Course under the auspices of the N. H. Fish and Game Department. This year 24 students graduated bringing the grand total of all who graduated since the advent of this program to two hundred and eleven.

One thousand seven hundred and twenty complaints were received and acted upon by the Department in 1972. Some were settled in court, but most were cleared on the local level. Two hundred and eighty-three court cases were heard in the Peterborough, Greenville, Milford, and Superior Courts in 1972.

Traffic control again required many hours of police time. Radar, road patrols, and stop sign details were assigned daily and all roads were checked. Citizens complaints of speeding and other motor vehicle violations increased the frequency and length of such details as the Department sought to alleviate these problems. The Town had a total of 110 reported traffic accidents over the past twelve month period. It is hoped that strict enforcement together with alert citizens will make '73 a safer year for all.

The Police Department worked closely with the other Town departments for the good of all. Most actively concerned were the health, welfare, highway, and animal departments. A new innovation designed to quickly identify any loose members of the Town's large animal population before injury or damage results was begun this past spring.

Called the "Large Animal Directory," it is a system of filing each animal by kind, color, and sex. All citizens owning livestock or boarding any ponies, horses, cattle, etc., are urged to call the police secretary to facilitate updating this file for '73. A large number of animals got loose and created much anxiety when no fast means of identifying them was available. The animal officer keeps a duplicate file thus assuring quick notification for the owner.

The Police Department maintains a detail of men for property checks, done at various times throughout the day and night. Seven thousand and thirty-eight of these checks were performed in '72. The number of house breaks over the past year were relatively few because of these property checks.

Ten area youths were enrolled in the County Neighborhood Youth Corps this summer for a nine week program. The Department was active in supplying work for these young people to perform at various places; Mascenic School, the highway department, recreation field, and the Town office. The Town supplied the jobs and the supervision, while the Program supplied the funds.

The welfare program was the responsibility of the Police Department from January 1st to August 31st of 1972. During this period, five hundred and forty-four related calls were received.

ROBERT THIBAUT,
Acting Chief of Police

POLICE DEPARTMENT BUDGET — 1973

NEW IPSWICH RECREATION FIELD REPORT

1972

"Yes, Virginia, there is a pool house!" In spite of a few skeptics and some very wet weather, our new pool house was up and ready for opening day last spring. We are grateful to our contractors, Hoard & Aho for bending in all directions to meet our demands and for a good buy for the funds allowed. The building is relatively easy to maintain and should be more than adequate for many years. The community spirit that was shown in the final push of painting the house inside and out was very gratifying to committee members who sometimes feel quite lonely during long hours spent accomplishing the endless tasks of managing the fields. We would also like to thank the New Ipswich Fire department for donating some of their excess blacktop which made a nice walkway in front of the building. In the fall the front of the poolhouse was graded, loamed and seeded.

The next most important area to be improved was the Little League Field. A fencing project was started and proved to be a tremendous addition in looks and playability. A large part of what remains to be done will be accomplished in the spring; another early winter postponed this work until thaw.

Our playground staff consisted of Donna Emma as Pool Director with Isabel Kangas as assistant, Mr. Robert Phelps as Field Director. A new innovation this year was a fitness class for adults attended by a nucleus of regulars and a few once in awhile. New ideas in swimming lesson schedules resulted in shorter but daily lessons which seemed to improve overall progress. Adult lessons were a welcome addition; one mother overcame considerable fear and learned to swim this season. At the end of the summer, little tot classes were held for pre-schoolers which helped them get used to the water.

Though there are many areas of the field that need attention, we have not increased our budget this year, except to include our portion of the electric bill formerly paid out of the general Town budget. Mowing the field is

still a constant problem and we may find it feasible to purchase a riding mower or hire manpower and equipment to do the job properly.

We again want to thank Mrs. Cooper for her continued interest in supporting softball. This year her donation was put toward the fence.

The Committee wishes to express gratitude to all those, both young and old who have pitched in this year to help us keep things going and growing. If one youngster is saved from drowning in his lifetime or another gains a longer, healthier life due to exercise and increased confidence in his or her physical abilities, then all the effort has been well worth it. New Ipswich can be proud of its Recreation program and we appreciate your interest and support.

REPORT OF THE FIRE DEPARTMENT

This has been another good year for the Fire Department. We had very few fires and no serious ones.

The men worked hard to help finish the new Fire Station and the grounds around the Fire Station were made more attractive. Everyone was very pleased with the results.

We received our new International fire truck which is very well equipped.

Open house was held on March 5th of 1972 and everything had been moved from the old station to the new one.

We have received through Civil Defense headed by David Corthell, two trucks; one for a tanker and the other a rescue wagon. The tank for the truck was donated by Draper Fuel Co. of Wilton, N. H. and the men are installing it on the Civil Defense truck.

The firemen were very disturbed at Halloween time when the windows on the new Fire Station were broken. Also damaged was the windshield on the rescue wagon and a light on the new fire truck was broken plus dents to the front of the truck. In general we had a mess to clean up. We hope this never happens again as we are very proud of our station and the equipment.

In case of fire or any emergency, please call 878-1611.

SULO KOLAPAKKE, JR., Fire Chief

Fire Warden's Report

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 a. m. and 5:00 p. m. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

State	410 fires	361 acres burned
District	79 reported	45 $\frac{3}{4}$
Town	None reported	None reported

WINTHROP H. HANNAFORD, District Chief

SULO KOLAPAKKA, Forest Fire Warden

ELECTRIC LIGHT COMMISSIONERS' REPORT

At the 1972 Town Meeting the voters saw fit to sell the Light Department to Public Service Company of New Hampshire.

This action ended the forty-eight year activity of the New Ipswich Electric Light Department.

The actual take over was on July 17, 1972, since that date the Light Department has been refunding meter deposits due our customers, paying off all notes and accounts payable due and collecting late payments of monies due on accounts receivable.

In September the Department turned over to the Selectmen \$30,000.00 to be added to the Trust Fund set up with the original \$125,000.00 purchase price.

The Department anticipates turning over to the Selectmen an amount in excess of \$20,000.00 by May 31, 1973. By this date all Department activities should be completed.

In a personal note it should be recorded that one of our present Commissioners, Mr. Fred Somero, who has resided in New Ipswich for fifty years, in the summer of 1922 as a young man worked on the construction crew erecting poles and pulling wire. In later years he worked as Superintendent of the Department until his retirement on January 3, 1966.

Respectfully submitted,

NICHOLAS KENNEY

FRED SOMERO

CARL SOMERO

HIGHWAY DEPARTMENT REPORT

The year 1972 has been a year of progress in some sections of the highway department.

In the working field a new program in culvert replacement, brush clearing and ditch cleaning has been instituted and will be increased in 1973. The amount of roads oiled was increased and will be increased in 1973.

The progress in pay rates, benefits, etc. has been lagging to create a serious problem. I hope this will be changed in the next year.

Equipment replacements should be started because of the continual breakdowns caused by equipment being as old as ten years.

All work planned for in the 1972 Budget has been carried through. Also a certain amount of emergency work had to be done which was not provided for in the Budget, this problem, I hope, will be taken care of in 1973.

The people of New Ipswich have been wonderful in 1972, and I wish to thank them for their understanding.

FELIX A. PARHIALA, Road Agent

CEMETERY SEXTON'S REPORT

Using the 1972 record as a guide, I suggest that we raise the sum of \$2,000.00 for the care of the cemeteries for the year of 1973.

LESTER W. BATCHELDER, Sexton

WELFARE DEPARTMENT REPORT

Activities of the Welfare Department and the Welfare Committee, the latter established by an article in the 1971 Town Warrant, were pre-occupied by the Federal and State audit of the Hillsborough County Surplus Food Program.

Mr. Leo Toko obtained the necessary flats to get the food products off the floor and installed new padlocks to secure the surplus food location. A new refrigerator was also purchased to protect perishable foods. The committee, Mr. Toko, Mrs. Laila Luhtala and the undersigned, re-certified all applications for Surplus Food with a result that recipient eligibles declined from an average of 150 individuals to approximately 35. As a result New Ipswich's entire program has been revised to meet the regulations as put forth by the U. S. Department of Agriculture.

The Old Age Assistance, Old Age Alien, Aid to the Permanently and/or Totally Disabled program recipients roster will remain approximately the same. The Town pays a percentage of the cost of maintaining these recipients which is found under the budget item of Old Age Assistance.

With the New State and Federal laws relative to Welfare eligibility, we expect to see a definite decline of applications and taxpayer expense as many of those now on welfare will be amended or removed.

The Committee has recommended that where Town support is usually temporary, that these recipients and responsible relatives as outlined by law, be required to repay the Town for their support at a reasonable rate of return and that until such support has been repaid, liens be placed against the recipient's tangible property. This could result in a savings to the Town of almost one thousand dollars per year. The Board of Selectmen have given their approval and this policy is now in force.

Our major concern is now to work with state officials, the Courts and private agencies to find proper care and treatment facilities for the alcoholic. There are no adequate facilities within the State at this time to give the attention

and followup treatment needed. There is also the pressing problem of finding low-income housing which is to be considered.

Respectfully submitted,

PATTI W. ZIRN, Welfare Officer

AUDITOR'S REPORT

I find all accounts correctly cast and vouched for the year 1972.

GILDA RITCHIE, Auditor

THE DUMP COMMITTEE REPORT

The Dump Committee approved by the voters at the 1972 Town Meeting and appointed by the Moderator has been studying the landfilled dump operations of other communities, to obtain background experience and information for making specific recommendations to New Ipswich.

Towns that have been discussed are Concord, Mass., Ashby, Mas., Peterborough, N. H., and Milford, N. H.

While this report cannot, because of space limitations, go into all the details of landfilled dump operations there are certain silient facts that everyone should know.

1. The sanitary landfill disposal of all solid wastes must be carefully planned and rigidly controlled.

2. It is possible to construct a sanitary landfilled operation on a variety of land topographies, but some areas are more economical to use than others. Specific techniques of operation must be worked out after the dump site has been established.

3. The dump site should be easily accessible in all weather. It must not be where it can pollute water and it should have an adequate amount of dirt cover. If trenches are used the dirt removed from them can be used for covering waste.

4. The dump should be located away from residential areas.

5. Certain types of solid wastes, such as metal, large tree trunks, limbs and roots cannot be put in the trench becaue they prevent the proper compaction of the other waste. The metal is usually given to a scrap metal dealer, and the stumps and other woods have to be piled at a remote point where they will gradually decay. Leaves may be kept separate and allowed to form mulch.

6. The re-cycling of such material as glass can be compacted with other wastes if no one is interested in the re-cycling activity.

7. Dump equipment includes a four-wheel loader and a heated shed with sanitary facilities for the dump operators.

8. The dump would be open only to those with permit cards from New Ipswich. Commercial haulers of waste would not be permitted to dump from other towns. There can be no dump picking. The dump must remain absolutely closed except for the time attendants are on duty.

9. A schedule of dump hours must be set that is commensurate with the need. To keep the dump open even 40 hours per week will cost approximately \$10,000.00 per year.

10. (a). Land costs must be faced to purchase a parcel of suitable land of 15 to 20 acres will require a substantial investment. But once obtained the needs of New Ipswich should be satisfied for about thirty years. After thirty years this land can be sold for normal use.

(b.) The reusing of the land after it has asborbed its waste load, and all oxidation has ceased may permit land acquisition by long term lease agreement. This method would probably be more costly in the long run.

In the light of the large expenditures that New Ipswich must face if it is to comply with the landfilled dump law in 1975, your committee recommends that a dump committee be appointed to bring to the 1974 Town Meeting specific recommendations for land and equipment acquisition, labor requirements and any other expenses so that the Town may take suitable action thereon.

CLYDE McKEEMAN
JOSEPH BURTON
GEORGE HOPKINS

Dump Committee

THE NEW IPSWICH TOWN HALL

Historical Summary

The New Ipswich Town Hall, located at the junction of 123-A and Willard Road, across from the Congregational Church, has a wealth of history. Constructed in 1817, it originally was a two-story structure, having windows much smaller than those presently in place. The second floor was subsequently removed leaving only the balcony.

Throughout the years the Town Hall has had a myriad of uses including service as a Town Meeting place, a basketball court prior to the building of a gymnasium at Appleton Academy, and most recently as an assembly hall for various groups of the community. It's use, however, has been curtailed by the lack of heat, water and sanitary facilities. To most of the citizens it is best noted for its use during the Children's Fair.

The Town Hall Committee

At the Town Meeting of 1972 it was voted to select a committee to investigate the disposition of the Town Hall. Upon initial encounter with the problem, the Committee found the hall in poor repair. Refuse from former use was found scattered throughout its interior and the building was in a state of utter neglect.

A thorough cleaning was initiated and town officials were contacted to make emergency repairs.

An investigation into the history of the building was made. Insight into it's background was graciously provided by Mr. John Preston, which proved to be very helpful to the committee. Inquiries were sent to historical societies for possible help in the preservation of the building for posterity. A representative of the Society for the Preservation of New England Antiquity visited the Town Hall with the Committee and though the Society has no funds to purchase or maintain such a building, this particular gentleman was intrigued with the combining of historical periods in the construction of the hall. Most particularly with the window over the front door. A committee member also attended a New Ipswich Historical Society meeting to discuss the old records stored in the upstairs closet. The So-

ciety voted last summer to appoint a committee to look into it but as of this writing, no further action has been taken. We also contacted the N. H. State Historical Society concerning their possible interest in cataloging and storing these records. We are pleased to report that they will store all records prior to 1900 and that they will always be made available to representatives of the town for study. Details are now being worked out between the Selectmen and a representative of the N. H. Society.

A small replica of the Town Hall was placed in various locales and suggestions were sought of the townspeople for possible use of or disposal of the building. Most suggestions seemed to point to use as an assembling place for the youth of the town.

Our last task was to obtain estimates for repair and renovation to provide an accurate evaluation of its adaptability to use as a modern day assembly hall.

Conclusion

In view of all the factors involved it seems that the only practical use for the building would be to remain as a meeting place for various groups in the town.

The prime drawback, in this respect, is the lack of parking so essential to modern transportation. To further complicate this situation are the expenditures of some consequence necessary to renovate the building for use as a public meeting place.

While it is unpleasant to watch another chapter pass into history, it is not practical, in our opinion, to preserve at the expense of the taxpayers, a building that will be of little value to the community.

We have recently contacted the Adjutant General of the New Hampshire National Guard upon learning that the guardsmen occasionally undertake the restoration of town buildings in the area. Perhaps some such group will provide the means to properly restore and maintain the Town Hall of New Ipswich, New Hampshire.

Respectfully submitted,

PHILIP EMMA (Chairman)

**State of New Hampshire
SCHOOL WARRANT**

For Annual District Meeting on March 21, 1973

To the inhabitants of the MASCENIC REGIONAL SCHOOL DISTRICT, qualified to vote in the MASCENIC REGIONAL SCHOOL District affairs:

You are hereby notified to meet at the MASCENIC REGIONAL MIDDLE-SENIOR SCHOOL in said district on the TWENTY-FIRST (21st) day of MARCH 1973, at 8:00 o'clock in the afternoon to act on the following subjects:

**(Polls will be open for balloting on Articles 1, 2 & 3
from 1:00 to 7:00 P.M.)**

1. To choose a Moderator, by ballot, for the ensuing year.
2. To choose three (3) members of the School Board, by ballot, one from the town of Greenville, one from the town of Mason, and one from the town of New Ipswich, each member so chosen to serve for a term of three (3) years.
3. To choose two Auditors, by ballot, for the ensuing year.
4. To see if the District will vote to raise and appropriate the sum of Four Thousand Seven Hundred and Eighty-five Dollars (\$4,785.00) for the purchase of student lockers.
5. To see if the District will vote to raise and appropriate the sum of Seven Hundred and Fifty Dollars (\$750.00) to print the Mascenic Regional School District Report and distribute same, or take any action relating thereto.
6. To see if the District will vote to raise and appropriate the sum of Seven Thousand Five Hundred Dollars (\$7,500.00) to install a water hole near the driveway entrance of the Mascenic Regional School and to install two six-inch dry hydrants to the specifications of the Fire Department, and to increase the fire protection within the building, if funds permit. (Submitted by the Fire Chiefs of the Three Towns.)

7. To see if the District will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) to continue the Building Construction Program, or take any action relating thereto.

8. To see if the District will vote to raise and appropriate a sum of money not to exceed Five Thousand Dollars (\$5,000.00) toward the start of an Athletic Field for the Mascenic Regional School.

9. To see if the Mascenic Regional School District will vote beginning in 1974 to elect all Mascenic Regional District Officers along with the Town Officers in the respective towns, hours for the polls to be consistent with the hours established by the town.

10. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district.

11. To transact any other business that may legally come before the meeting.

Given under our hands at said NEW IPSWICH this 2nd day of March 1973.

MASCENIC REGIONAL SCHOOL DISTRICT REPORT OF THE SUPERINTENDENT OF SCHOOLS

Carl E. Bowers

Another year has all too rapidly come to a close and it is time to report on some of the year's activities.

Schools opened this Fall with many new staff members, especially at the Mascenic Regional School. The four elementary schools had few changes in staff. Regardless of teacher turnover, progress is being made in the various areas of the curriculum. It will take a few years with a staff that remains constant to implement a curriculum to meet the needs of the students.

We should continue our efforts in meeting the Minimum Standards for Elementary Schools. This coming year Art and Music will be provided on a part-time basis by sharing the present Art and Music Staff.

The many changes that have taken place this year are credited to the leadership of Mr. Thomas Mohan with his years of administrative experience. In order to continue with this changeover, it will be necessary another year to provide him with some part-time assistance.

I am somewhat hesitant in being repetitive, however, serious thought should be given to this maintenance situation. We have attempted to implement a Preventive Maintenance Program to cover a period of three to five years. Some of these improvements have been in the areas of boiler and furnace repairs, electrical wiring where necessary, a maintenance program on the heating and ventilating (Mascenic Regional), exterior painting, replacement of walks and steps, hot topping of driveways and play areas, fence repair (New Ipswich Central), interior painting, and some roof repairs.

In the proposed budget we have allowed for Phase Two of the Preventive Maintenance Program, which includes mostly exterior work, with some interior if funds permit.

In the Supervisory Union Office we are attempting to bring about some standard of uniformity in the bookkeeping procedures and accounting within the districts. At the present time we are one of three Supervisory Offices in the State that does not have a full-time bookkeeper in the office.

An inventory and control system for supplies and equipment is being initiated along with a revision in budgeting procedures. A new directory for Supervisory Union No. 63 was published this year.

Every effort was made to operate a good school program within the dollars allocated to the District for support of schools. We were able to complete this year with an unexpended balance; this was in keeping with a statement made earlier that we would not have any deficit spending.

Many fine things that take place and the people who make it possible are sometimes overlooked in a report of this type; so as I conclude my third report I wish to thank the Mascenic School Board, Staff, Town Officials, State Department of Education, Parents, Friends, and other citizens who have assisted in some way to provide the best education possible for our girls and boys.

HEALTH REPORT — 1971-1972

Another year has come and gone, and it is time again to give the annual report. It has been a difficult year, and yet some of the nurse's work was left undone due to the budget cut. My thanks and appreciation go to Mrs. Gloria Livingston, Mrs. Ann Aldrich, Mrs. Mildred Henault and Mrs. Marguerite Vaillancourt for their most helpful assistance in weighing and measuring heights of the children.

The main causes of absenteeism was due to colds and sore throats. However, many were absent needlessly for missing the bus, baby sitting, needed at home, going shopping and skipping school. There were also many that had dentist appointments and came in late, or stayed out or had early dismissals.

In the fall, physical examinations were done by our school physician, Dr. Robert Wellwood. Grades one, four, seven and all those participating in the various sports were given physical exams. In addition all in the 7th grade and all the athletes had their blood pressures checked. Any child showing a defect took home a note signed by the Doctor for further treatment. Some of the defects found were:

- 2 eye imbalance
- 32 wax in the ears
- 2 stuffy nose
- 4 inflamed tonsils
- 48 caries in teeth
- 27 enlarged neck glands
- 2 wheezes in lungs
- 2 ? heart murmurs
- 1 abdominal tenderness
- 23 flat feet
- 6 weight problems
- 2 Plantars warts
- 1 dermatitis
- 12 undescended testicles

In December Miss Constance Martin, R.N., came and gave 71 Heaf TBC tests under the sponsorship of the N.H. TB Association to the faculty, aides, custodians, cooks and bus drivers. Positive reactors were given Mantoux tests or they had X-Rays. All proved to be negative. This program is recommended yearly.

In February the first grades were given the Tine TB test by the school nurse at the School Board's expense. A TB test is now required by law for all children within a year upon entering the first grade. One child is on a follow-up program.

In February the National Dental Health Week was observed by showing the children film strips and giving out dental health materials supplied by the Crest and Colgate Companies. In the fall, the State Dental Hygienist gave the children a most informative program on the care of the teeth. The children were very impressed and will take better care in brushing their teeth.

Three Pre-School immunization clinics were held in Greenville Legion Hall on March 24, April 21 and May 19th, under the supervision of the Visiting Nurse Association. Dr. Wellwood was the attending physician. One hundred fifty-seven children received immunization. The vaccines available were for polio, diphtheria, whooping cough, tetanus, German measles, regular measles. Smallpox vaccine is no longer required for school entry. Children who have not had the above diseases are required by law to have immunization against those diseases in order to enter the first grade. Mrs. Pearl Thompson, Mrs. Isabel Eaton, Mrs. Mildred Henault, Mrs. Jeannine Saunders, R.N., Mrs. Gloria Livingston and Mrs. Rosanna Bergeron volunteered their services at these clinics.

May 9th the VASC testing program was held with the Souhegan Lions Club as co-sponsors. 94 children had their eyes and ears tested, 71 of these were children that were registering for the first grade. The machines used in testing were provided by the various Lions Clubs throughout the state. The local Lions Club gave out lollipops, balloons and red piggy banks to each child as she or he finished with the tests. The Lions Clubs deserve a vote of thanks for their

worthwhile projects. Also the New Ipswich Congregational Church deserves a great big thank you for giving us an ideal place to conduct these tests. Volunteer aides were Mrs. Sandra Benotti, Mrs. Pearl Thompson, Mrs. Gloria Livingston, Mrs. Florence Cook, Mrs. Sandra Short, Mrs. Carolyn Thomas, Mrs. Shirley Niskala, Mrs. Barbara Lehtonen, Mrs. Patti Thayer. Mr. Rogers made appointments for the children for their Gessell test at this time. A few children had to be retested.

Besides the duties of first aid, a great deal of time went into examining the heads, due to a few children having had pediculosis. With a thank you for the cooperation of the parents, this situation was controlled.

Another school year ended without any major mishaps. The parents and members of the communities are to be commended for their cooperation in making this possible.

LAILA E. LUHTALA,

School Nurse
